

QHSE Technician

VACANCY: QHSE Technician

LOCATION: Hyde, Manchester

ABOUT US:

AVK Hyde is part of the AVK Group; who are market leaders in the design, manufacture and supply of valves, pipe fittings, hydrants and flow control equipment to the Water, Waste Water, Oil and Gas industries throughout the world.

We are looking for a well-rounded individual to support with the inspection, verification and validation of products and components from initial arrival to the site throughout all stages of production to ensure process control requirements and quality standards are being maintained. Success in the role is measured through the site's performance against QHSE objectives and targets, with continually reducing numbers of nonconformities/incidents.

Key responsibilities include, but are not limited to:

- Create and manage inspection plans for supplied components.
- Inspect components/products at goods-in, during processing and prior to despatch in accordance with Process Control Procedures and Quality Plans, ensuring they conform to specifications.
- Ensure all records and reports of inspections and checks are maintained.
- Analyse, review and verify relevant specifications and certification.
- Assist in Internal Auditing.

ABOUT YOU:

- Hands-on dimensional inspection experience is desirable but not essential, including the use of inspection equipment.
- Ability to understand technical drawings.
- Strong communication skills and IT literacy.

WORKING HOURS:

38.5 hours per week

Monday – Thursday: 7.30-4.15

Friday: 7.30-1pm

WHAT WE OFFER:

- A culture of shared values, goals, attitudes, and business growth.
- Employee Assistance Programme (Welfare and Wellbeing).
- Competitive salary.
- 33 days holiday (including statutory Public Holidays).
- Life Assurance plan (x3).
- Company pension plan.
- Discounts and cashback across many high-street and online retailers (Supermarkets, Entertainment, Fashion, Days Out, Technology, Home, and Travel).
- A blend of training to help your career development.
