SHARE YOUR STORY WITH US, AND WIN A LUXURIOUS ESCAPE TO DENMARK

WORLD WATER DAY, ON 22 MARCH EVERY YEAR, IS ABOUT FOCUSING ATTENTION ON THE IMPORTANCE OF WATER. THE THEME FOR WORLD WATER DAY 2019 IS 'LEAVING NO ONE BEHIND'

Sustainable Development Goal no. 6 is crystal clear: Water for all by 2030. By definition, this means leaving no one behind. But today billions of people are still living without safe water – their household, schools, farms and workplaces struggling to survive and thrive.

This year's World Water Day is about tackling the water crisis by addressing the reasons why so many people are being left behind.

World Water Day is a means of focusing attention on the importance of freshwater and advocating for the sustainable management of freshwater resources.

To promote the global Water Day, AVK invites customers

and partners to take part in a contest that focuses, not only on World Water Day, but also on UN Sustainable Development Goal no. 6: "Clean water and sanitation for all".

To participate submit your best story telling us what you have done to help achieve safe drinking water for all, for example, established safe drinking water for a community, by reducing the level of NRW, or by introducing a more sustainable way of managing water resources.

The contest is global, and we urge all to contribute with their case stories, preferably including mention of AVK products.

THE WINNER PRIZE IS A LUXURY 2-DAY FANOE OYSTER FESTIVAL STAY IN DENMARK FOR 2 PERSONS INCLUDING A 4-COURSE GOURMET DINNER, DOUBLE BED HOTEL ROOM, BREAKFAST AND OYSTER SAFARI.

THE TRIP INCLUDES A VISIT TO THE AVK HEADQUARTERS AND ROUND TRIP FLIGHT TICKETS.
